

A brown bear is shown in profile, standing on a green, heavy-duty plastic trash can. The bear's mouth is open, and it is splashing water, with droplets visible in the air around its head. The background consists of out-of-focus green trees and foliage, suggesting a natural, outdoor setting. The lighting is bright, highlighting the texture of the bear's fur and the sheen on the trash can.

**Fully Automated
Bear Resistant Carts**

Toter[®]
Built for Extremes[®]

FULLY AUTOMATED BEAR RESISTANT CART

Toter's Fully Automated Bear Resistant Carts are designed to minimize conflicts with bears and other predators. Our carts are constructed with our Advanced Rotational Molding™ process that creates an extremely durable trash can. We've armed them with a rugged rim to help defend against chewing, a double-walled lid, beefier handle and hinge, and minimized pry points, which makes them tough enough to withstand the strongest claws and jaws!

- Interagency Grizzly Bear Committee's (IGBC) bear-resistant certification** (64 gallon only, IGBC certification number 5416)
- Improves routing and collection efficiencies due to compatibility with both fully-automated and semiautomated applications
- Safe and robust design is easy to maneuver, yet extremely difficult for bears to compromise.
- Strength is enhanced due to structural capabilities like Rugged Rim® and sealed stop bar journals
- Ready to roll design: lids, locks, stop bars, and body are fully assembled upon delivery

AVAILABLE IN 64- and 96-GALLON

Part	Size	Dimensions (L x W x H)	Wheel Size	Weight
79A64	64 Gallons	32.3" x 25.2" x 45.5"	10"	43.9 lbs.
79A96	96 Gallons	36.3" x 30.2" x 45.5"	10"	52.4 lbs.

Rugged Rim Design

Rugged Hinge

Easy Maneuverability

Recessed Auto Gravity Lock

Increased radius to help prevent chewing

FEATURES:

- 5 year warranty
- Corrosion and chemical resistant
- Color options
- UV stable
- RFID
- Space for graphics

Certified by the Interagency Grizzly Bear Committee.

IGBC Certification Number 5416

**IGBC certification is applicable for the 64 gallon cart only.
